

Meet Tracie

Navigating healthcare can be complex. That's why we've introduced our new chatbot, Tracie! Whether you're considering or have joined a health plan that features the Canopy Health network, Tracie is here to assist you 24/7. Have questions about making a doctor's appointment or need help transferring your medical records? Tracie is here to help. With Tracie, you get:

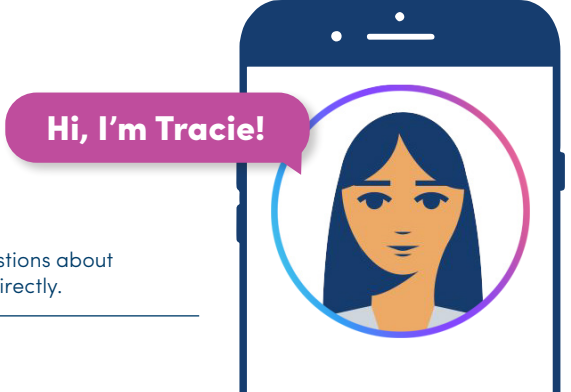

- Questions answered for new and potential members*
- Help finding an in-network doctor
- Information on common topics & related content
- A curated guide just for you

With Tracie, you'll have 24/7 access and instant responses to many of your questions.

Whether you're at home or on the go, Tracie is just a click away - www.canopyhealth.com/tracie-bg

Or scan the QR code below.

* Tracie is designed to provide information related to the Canopy Health network. If you have questions about your health plan benefits, please contact Health Net at (800) 539-4072 or contact your HR team directly.
