

Health Net's Find a Provider

FIND A PROVIDER – FAST!

With Find a Provider, you'll quickly find the most up-to-date listings of qualified in-network doctors, urgent care centers, hospitals, and other types of healthcare providers near your home or work.

Find providers online. Here's how:

- 1 Start by visiting our home page **HealthNet.com/uc**. Scroll down to click on *Find a Provider*.
- 2 Enter a location (address, city, county or zip code) and click on *Select your plan*.
- 3 Select your health plan or network, **Blue & Gold HMO** and then click *Continue*.
- 4 Choose to search by specialty, facility/group name, provider name, or the NPI (National Provider Identifier) or, Choose a Category to select the type of provider you need (medical professionals, medical facilities, Behavioral Health, etc.).
- 5 You can narrow your search within these categories, and then further filter the results using the filter options on the left side of the screen, including distance, languages spoken, gender and office features.
- 6 Finally, you can **click on Print** to print your search results.

When selecting your primary care physician (PCP) you will need their 10 digit "Enrollment ID #".

This number can be found in the doctor's profile under the Practice Details section in the ProviderSearch tool. Choose your options under Select a Plan and Select A Medical Group to view the number.

Note: Enrollment ID #s are for primary care physicians (PCPs) only. Specialists are available by referral only.
